

**Celebrating 30 years of  
revitalizing Chicagoland homes &  
communities!**

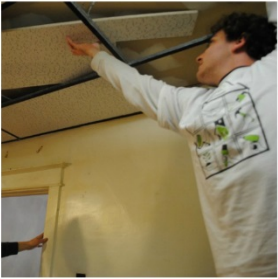

**Rebuilding Together** is the only nonprofit organization in Chicago & suburban Cook County helping low-income residents make their homes safer, healthier and more livable –at no cost.

# What We Do

- **National Rebuilding Day** – last Saturday in April
- **Safe at Home** – small repair projects to help seniors age-in-place
- **Give Back Day** – turn-key volunteer/team-building projects throughout the year

# How We Do It

## Our Impact

**“You were an answer to my prayers. I can now live in my house safely and not worry about falling through the floor or **being forced to move somewhere else.**”**

**“**It has changed my life** because I can get around my house better and not hurt myself.”**

**“This experience has **given me hope** to stay in my own home.”**

# How to Apply:

- Typical repairs include:

- Minor carpentry, plumbing, and electrical
